SCHEDULE SUMMARY & NOTES

Please be advised that priority was given to scheduling communities to play back to back in other communities **AS MUCH AS POSSIBLE**. However, due to different number of teams per division and per community, this was not always possible. Cutting down on travel was made a priority for communities.

This year we only had 3 games that had to be scheduled at a different time from a team’s regular home game time. Below is a summary of games that had to be scheduled at times other than a team’s regular game time. A brief reason for this is also noted.

PLEASE MAKE SURE YOU TAKE NOTE IF YOU TEAM IS AFFECTED!!! YOU MAY HAVE TO TOUCH BASE WITH YOUR FELLOW HOME TEAM IF USING THEIR REGULAR TIME SLOT.

These games have an ** beside them on the schedule. As well, each game on schedule is assigned a GAME NUMBER. Please put this number on the scoresheet on top corner of scoresheet where it asks for game number. This makes it easier for Stats person to keep track of games played.
